VISION

SLIMLINE TORCHES

WORK FASTER WITH PRECISION LIGHTING

EHLW440 COB WORK LAMP / FLEXI LIGHT

Flexible torch arm that bends deep into awkward areas where standard lamps can't reach.

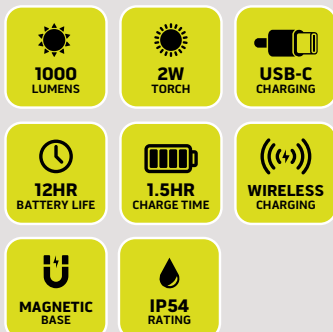

EHL305 COB SLIMLINE INSPECTION LAMP / TORCH

The **workhorse** lamp that launched the Vision brand due to its durability, precision, and dependable daily performance.

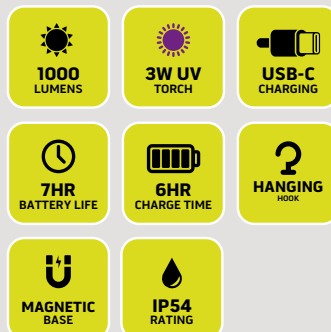

EHLW420 COB SLIM INSPECTION LAMP

Features an end-mounted micro torch that projects 1000 lumens directly onto areas for pinpoint accuracy.

EHL301 SMD COMPACT HAND LAMP & UV TORCH

For general inspection and has a UV torch facility making it ideal for detecting UV reactive substances and leaks.
