MODULAR WORKSHOP STORAGE

For Consumables, Accessories & Safety Products

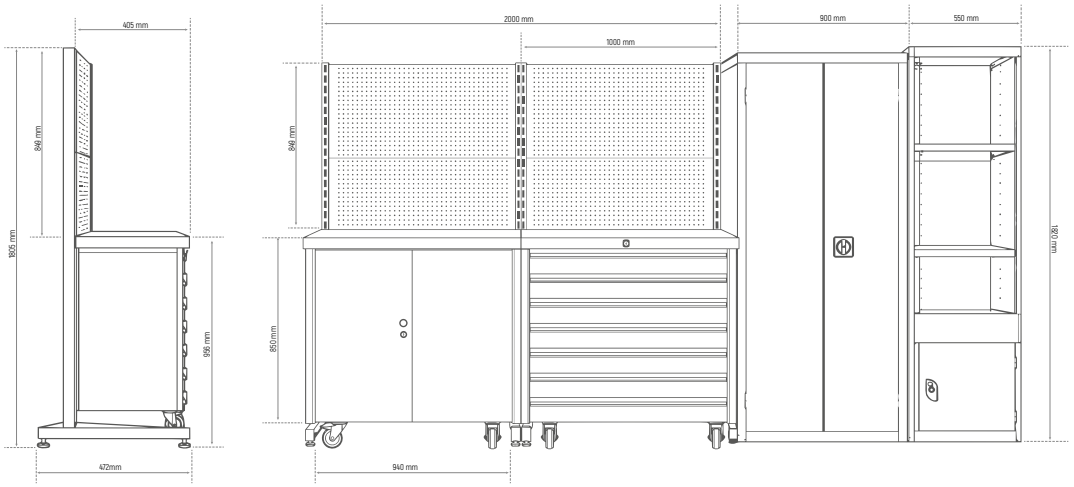

EVERYTHING IN ITS PLACE

INTRODUCTION

Busy workshops rely on fast access to consumables, tools and safety products. The Modular Workshop Storage range helps keep essential items organised, easier to manage and ready when needed.

Designed around flexibility, the system allows you to choose the base units, storage accessories and safety additions that suit your working environment.

BASE SYSTEM

Modular Workshop Storage System

Choose from drawer, cabinet, empty stand or complete workshop kit options, each ready to configure with compatible storage accessories.

1.

2.

3.

4.

1. **RCK4000** Drawer Unit Modular System

Ideal for smaller items, components and accessories that need organised, easy-to-access storage.

2. **RCK3000** Cabinet Modular System

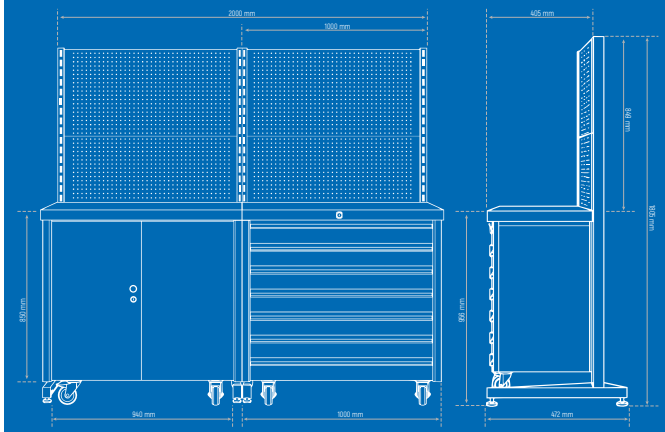

A cabinet-based modular storage option for keeping workshop consumables organised and protected.

3. **RCK5000** Empty Stand Modular System

A flexible standalone system ready to configure with holders, shelves, rollers, hooks and other accessories.

4. **RCK6000** Workshop Kit

A complete starting point for creating a practical, organised modular storage area within your workshop.

CUSTOMISED INTERIOR

Cabinet and Drawer Accessories

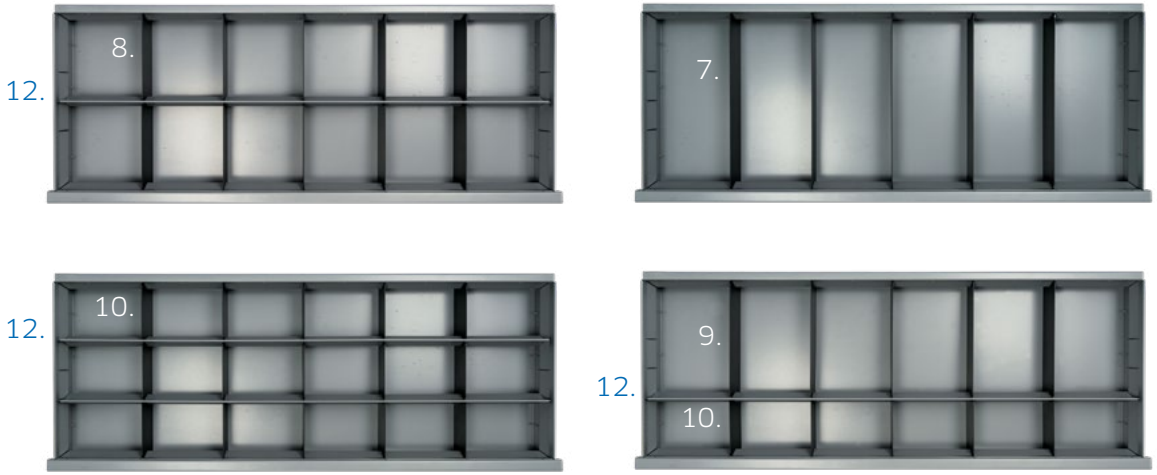

Use dividers and baskets to create organised sections for smaller workshop items, keeping stock separated and easy to identify. Clearly labelled part numbers within each drawer make replenishment straightforward, helping teams quickly identify and reorder the products they use most.

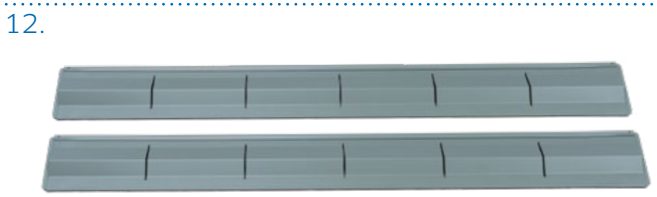

11. Cabinet and accessories not included.

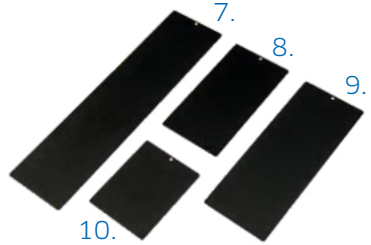

5. **RCK4035** *Divider Basket **2 Compartment** / Qty: 1*
6. **RCK4030** *Divider Basket **4 Compartment** / Qty: 1*
7. **RCK4015** *Divider Vertical Large **30cm** / Qty: 5*
8. **RCK4025** *Divider Vertical Medium Split **15cm** / Qty: 5*
9. **RCK4020** *Divider Vertical Medium **20cm** / Qty: 5*
10. **RCK4027** *Divider Vertical Small Split **10cm** / Qty: 5*
11. **RCK3010** *Cabinet Side Panel / Qty: 1*
12. **RCK4010** *Divider Horizontal Main / Qty: 1*

Contents shown for illustration only. Not included.

CONSUMABLES STATION

Add Holders, Shelves and Product Storage

Configure your storage setup around the products used most in your workshop, from aerosol cans and cable ties to rods, reels and bodyshop consumables.

13.

14.

15.

16.

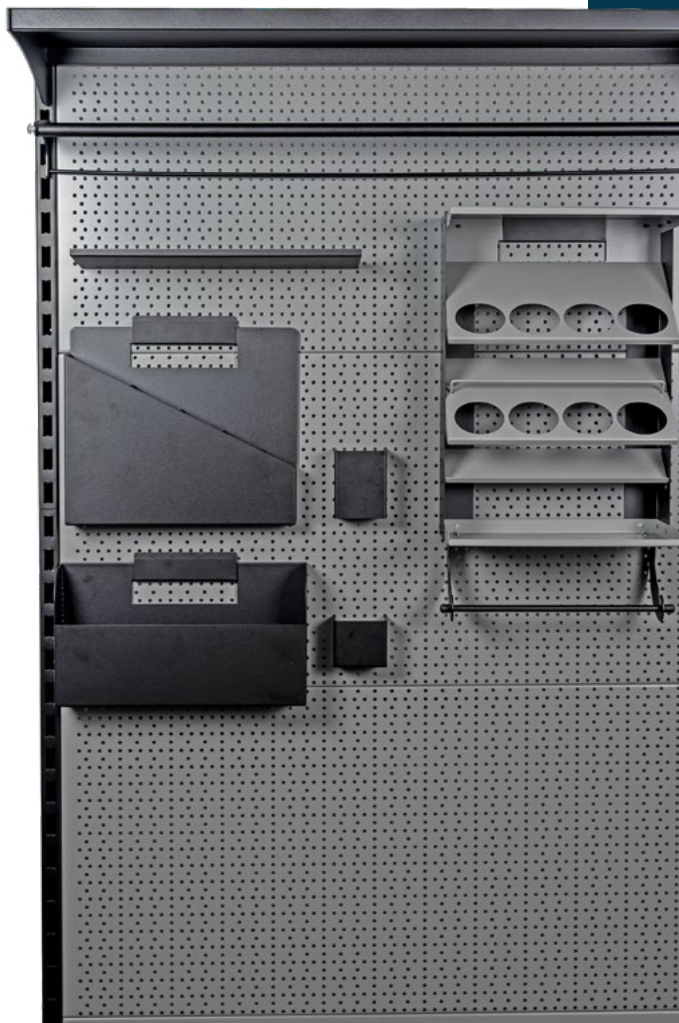

17.

18.

19.

13. **RCK5055** *Stand Shelf Large 1m / Qty: 1*
14. **RCK5030** *Holder Spool for Cable or Car Seat Covers 1m / Qty: 1*
